CONTACTLESS TOURISM

powered by QWASI

Upgrade tourism centers, historical landmarks, parks, community businesses with smart contactless experiences to assist visitors to check-in on social, find directions, learn about local attractions, make reservations, and discover locally.

Grow Engagement

Leverage mobile devices to increase visitor engagement, assist tourists, and drive engagement to local establishments.

Improve Local Support

Optimize experiences with micro services to drive engagement, grow adoption of new offerings, streamline feedback.

Drive Awareness

Upgrade communication engagement to mobile first with 24/7 engagement.

What We Do in the Public Sector

QWASI provides a flexible contactless management platform that drives engagement with useful mobile experiences.

SOLUTION INCLUDES

✓ AWARENESS

✓ REGISTRATION

✓ WAYFINDING

✓ RSVP

✓ CHECKIN

✓ REWARDS

✓ GAMIFICATION

✓ WORKSHOPS

✓ SUSTAINABILITY

✓ SUPPORT

"QWASI provides us with a safe way to connect with our community and get them engaged in our program development." – Nell Greer, Director at Lafitte Greenway, NOLA Parks

Grow Community Engagement

• Drives engagement, acquisition, and mobile communication for real time experiences

• Segmented communication by community type, device, location, and language

Local Intelligence

• Showcases macro and micro analytics for behavioral insights

• Provides location, weather, language for personalization

• Offers simple scalable admin for varying types of application management

One Powerful Platform

• Manages the complete end to end journey and communication

• Implements experiences like registration, wayfinding, check-in, tap to preview, workshops, hackathons, and chat for support
